COMPARISON STARS WHICH TURN OUT TO BE VARIABLES

The Working Group on Standard Stars (IAU Commissions 29, 30, 45) will publish lists of comparison stars which turn out to be variables or suspected variables, in the Standard Star Newsletter. This circular will be edited twice a year.

The observers are kindly requested to point out these objects for publication in the Newsletter, writing to the following address:

Prof. Laura E. Pasinetti
Osservatorio Astronomico di Brera
Via E. Bianchi 46
22055 Merate, Italia

The deadline for the next issue is April 1st, 1983.

All contributors are acknowledged for this invaluable collaboration.

LAURA E. PASINETTI
